VOLUNTEER OF THE MONTH Award

The VOLUNTEER OF THE MONTH (VOM) Award is our symbol of achievement, recognizing special service to our guests and each other. The VOM Award Program offers every member of the team the opportunity to say "Thank You" in a visible, personal way.

The pursuit of excellence does not end with achievement. It begins there. This award celebrates the exceptional service that we are striving to provide every day in all our dealings with guests and each other. All winners will become the nominees for the annual VOLUNTEER OF THE YEAR Award.

There are many convenient ways to nominate someone by completing this form using one of these methods: Deposit the form in the Volunteer Office mailbox, send to jgreber@wavefoundation.org or fill it out online at www.wavefoundation.org by **the 20th of every month.**

Nominate your fellow volunteer by identifying and describing at least one attribute that makes them a STAR!
